

Home Learning

Class 1, we have had a fantastic week and part of this was learning all about nouns! We learnt the song “what is a noun? Everybody sing, a noun is a person, place or thing!” by Jack Hartmann to help us remember!

For your home learning this week, I would like for you to go on a noun hunt! I would like you to find some people, places and things! This could simply be around your home and could include your family, toys, pets, rooms etc. or you could go on a walk around your local area! It's up to you 😊 Your answers can be typed or written down and can be handed in on Google Classrooms or in person – again, it's up to you! You also have some spellings to practise ready for a little spellings quiz (nothing scary, I promise!) on Fridays. You can see these below 😊 Have a lovely weekend, Class 1! See you on Monday
