

# SKITTLES DUMBBALL

1. First you need some Skittles a microwave and a spoon.
2. Next you must put skittles on a plate then put it in the microwave for about 10 seconds then turn it out and repeat step 3.
3. Get your micro波ed skittles out ~~break~~ them up with your fingers.
4. Stick your skittles together and wrap them around the bottom of the Skittle.
5. Now place 7 or 8 Skittles on a plate and fit them in the microwave again 10 seconds then turn it out and repeat step 3.
6. Stick your Skittles together and wrap them around the first Skittle.
7. You can do as many layers you like.
8. Now place in the freezer for 1 hour and 15 minutes.
9. Now eat it and enjoy.
