Are you ready for the ultimate taste experience? Do you often struggle to choose which chocolate bar you want? Perhaps you fancy a nutty bar one minute and a caramel bar the next? Well, if that is you then Willy's Wonder Bar will answer all of your prayers!

Willy's Wonder Bar is the most scrumptious and magical chocolate bar in the world. Just imagine your favourite flavour as you chew and that's what you'll taste! Marshmallows, raspberries, popping candy, nougat...whatever flavour you dream of will sizzle and pop on your tongue. Don't worry if you don't have a sweet tooth. You can eat the bar and taste fish and chips or chicken curry!

Another reason the Wonder Bar is so fabulous is because it is healthy. Even though it has the most wondrous flavour, it contains all the vitamins and minerals you need. This means you can eat the Wonder Bar as often as you like and not just as a treat!

I have never tasted anything like it! I thought of strawberry laces first and when I was bored of that, I imagined a chocolate brownie!
