# TOWNGATE THEATRE

## PANTO COMPETITION!

**Help us celebrate National Panto Day**

**National Panto Day** celebrates all things panto, and this year will be on **Friday 15th December 2023**. This year is the year of the panto animal, from Dick Whittington's beloved cat, to Cinderella's flying horse for her carriage!

This year we are celebrating **National Panto Day** in the best way we know how, **with a competition!** Attached to this letter is the National Panto Day logo, but something is missing... there's no colour!

As one of our local schools visiting us during the Panto Season, we would love to have your young people create some beautiful new Panto Day logos and share them with us. They can be on **our colouring sheet**, or ones they have **drawn themselves!**

You can share them this **via email** at [thomas.mason@basildon.gov.uk](mailto:thomas.mason@basildon.gov.uk) or by sharing them on our **social media**, tagging the Towngate and using the hashtag #PantoDay. You have until the Thursday 14th December to submit your entries, and the winner will be picked and announced on Panto Day!

The winning design will feature on all our social medias, and will also win their school a **FREE Theatre workshop** from our Participation team! If you would like to know more, please contact our Participation Co-Ordinator, Tom, at [thomas.mason@basildon.gov.uk](mailto:thomas.mason@basildon.gov.uk) or call us on **01268 205300**.

**Happy Holidays from Team Towngate**
