

This week we have started our history topic – WW2

For your home learning, I would like you to produce a detailed fact file about one of the planes used in the dog fights during the war.

The most famous fighter aircraft used in the Battle of Britain were the British Hawker Hurricane and Supermarine Spitfire Mk I, and the German Messerschmitt Bf 109

This is due in (9th Feb), so I am expecting a quality piece of work.

Happy researching 😊
