

KSI Creative Project

Research how to look after plants

Create an information leaflet/poster informing others what to do. Add some diagrams to help.

Creativity

- Design and create your own flower/plant. This could be 2d or 3d using paper and card, junk modelling, playdoh, clay, painting or observational drawing.
- Design your own secret garden. What special features will your garden have?

Mindfulness/Wellbeing

- Sit in your garden and write down all the lovely things you have in your life and are grateful for.
- Remember to keep fit and healthy.

Other Activities To Do

- Sumdog
- Times Tables Rock Stars
 - Read! Read! Read!
- Phonics - monster words and sounds
 - Spellings
- Charanga (logins in partnership books)
- Try some resources online
 - Twinkl and BBC bitesize

Grow your own plant

If you have seeds at home, grow your own plant.

Take photos, measure and track how it grows.

Creative Writing

- Create your very own poem based on flowers/nature/garden
- Write a story about a secret garden. Has your garden got special creatures or even a superpower that humans don't even know about?!

Powerful plants

- Research how plants help us and animals. Food, medicine, keeping our environment safe.
