

KSI Creative Project

Computing

- Research real life superheroes and the work that they do. Create an information booklet or poster about your findings.

Arts & Crafts

- Design and create a superhero logo.
- Design and label an outfit for a superhero. What special features will it have?
- Create a piece of colourful artwork about real life superheroes.

Creative Writing

- Write a thank you letter to a real life superhero - NHS workers, fire fighter, police officer carer, etc.
- Create and describe your own superhero character. What do they look like? What is their superpower? What do they do? What characteristics do you need to be a hero?
- Write a diary entry about a day in the life of your superhero.

Keeping Fit and Healthy

- Invent a superhero workout or dance and teach it to your family.

Science and PSHE

- Find out about healthy foods and a healthy diet.
- Design a healthy super food meal for a superhero.
- Help to cook a healthy breakfast, lunch or dinner for your family.

Other Activities To Do

- Sumdog
- Times Tables Rock Stars
 - Read! Read! Read!
- Phonics - monster words and sounds
 - Spellings
- Charanga (logins in partnership books)
- Try some resources online
 - Twinkl and BBC bitesize
 - Joe Wicks PE lessons

Music

- Write and perform a superhero rap.
- Make a homemade instrument to accompany your performance.
