

KSI Creative Project

- Research oceans and create a poster informing people why it is important to keep our oceans super clean.

Creative Writing

- Create an under the sea poem using adjectives and WOW words.
- Research your favourite sea creature and the environment it lives in - create a power point, word document or information booklet about it.
 - Write a sea themed adventure story.

Marvellous Maths

- Keep practising your numbers - counting in 2s, 5s, 10s, number bonds to 10 and 20, addition and subtraction.
- Work through some of the worksheets uploaded to our class pages.

Under
The
Sea!

Other Activities To Do:

- Sumdog
- Times Tables Rock Stars.
- Spellings - Year 1 words.
 - Charanga (logins in partnership books)
- Try some resources online - Twinkl, Phonics Play and BBC bitesize.

Keep Healthy

- Try some online fitness ideas.
 - Cosmic Kids Yoga.

Creativity

- Design and label your own sea creature and write a short description to explain its characteristics.
- Create a collage of a sea scene.
- Write your own under the sea song.
- Learn a sea-inspired song.

Read! Read! Read!

- Please keep reading and sharing books.
 - Maybe review your favourite book, draw a picture and write about it.
- Practise your sounds - Phonics Play website is now free with lots of fun games -
