Coronavirus poem  
by Lamara Chaplin

Family games  
More time together  
Eventhough its nice  
I hope it's not forever

Card games, board games  
Any type will do  
I love calling friends  
I hope you do too

I may go back in year 7  
or when sats begin  
Any time is perfect  
For now give eachother a grin

More time together  
I hope its not forever
