

My Poem By Joshua Clark

SAT's week never happened this year,

All our hard work gone to waste, we fear.

Teachers at home with lessons untaught,

Some work never to be seen, so we thought!

We virtually joined together on Monday for fun,

Excited to see what Secret Squirrel would like done.

Everyone waiting for the next challenge to be set,

Knowing 2020 is a year we'll never forget!

Lockdown 2020
