

Schools for Every Child

Our school works in accordance with the PREVENT Duty and approaches this issue in the same way as any other child protection matter. Any concerns that one of our pupils is at risk in this respect, will be referred to Children's Social Care in line with the SET procedures.

Wyburns Primary School is a Rights Respecting School. Our policies are underpinned by the UNCRC.

Article 29 (goals of education)

- *Education must develop every child's personality, talents and abilities to the full. It must encourage the child's respect for human rights, as well as respect for their parents, their own and other cultures, and the environment.*

Date Policy Created	Summer 2023
Reviewed:	Autumn 2023

Equality and Inclusion

At Wyburns Primary School, we are committed to ensuring equality of education and opportunity for all pupils, staff, parents and carers; irrespective of age, race, gender, disability, faith or religion, attainment or socio-economic background. We aim to develop a culture of inclusion and diversity in which all those connected to the school feel proud of their identity and able to participate fully in school life.

The achievement of all pupils is monitored and we use this data to support pupils, raise standards and ensure inclusive teaching. We will tackle discrimination by the positive promotion of equality, challenging bullying and stereotypes and creating an environment which promotes British values; championing respect for all.

We believe that diversity is a strength, which should be respected and celebrated by all those who learn, teach and visit here. As an educationally inclusive school the teaching and learning, achievements, attitudes and well-being of every young person matters.

Our Mission Statement for Equality:

As a school,

- We welcome our duties under the Equality Act 2010 to eliminate discrimination, advance equality of opportunity and foster good relations in relation to age, disability, ethnicity, gender (including issues of transgender, and of maternity and pregnancy), religion and belief, and sexual identity.
- We welcome our duty to promote community cohesion.
- We recognise these duties reflect international human rights as expressed in the UN Convention - The Rights of the Child.

1 Introduction

1.1 The Employer has the responsibility of providing guidance for off-site school visits and it is essential that any Staff member of Wyburns Primary School reads this policy before contemplating or organising any educational trip or visit to be made by children from this school.

- Read *THE OEAP National Guidance – Guidance for the Management of Outdoor learning, Off-site visits and Learning Outside the Classroom. (Essential reading documents specific for your role e.g. Governor / Head / EVC / Visit Leader / etc.)*
see website link : www.oeapng.info/
- The remaining parts should be referred to as and when guidance is sought.
- **NB: FAILURE TO FOLLOW THESE REGULATIONS MAY LEAD TO CONSEQUENCES FOR INSURANCE COVER AND LEGAL LIABILITY.**

2 Reasons for Visits

2.1 All schools are required to offer children a broad and balanced curriculum that promotes spiritual, moral, cultural, mental and physical development.

2.2 All activities must have a clearly defined educational purpose and we seek to ensure that the National Curriculum is delivered to all children, regardless of social background, race, gender or differences in ability. All are entitled to the development of knowledge, understanding, skills and attitudes. To enrich the curriculum for the children at Wyburns Primary school, we offer a range of educational visits and other activities that add to what they learn at school.

3 Visits and curriculum links

3.1 All educational visits and activities support and enrich the work we do in school. There are also a number of people who visit the school to support our work. Some visits relate directly to areas of learning for individual classes, whilst others relate to all of our children.

3.2 For each subject in the curriculum there is a corresponding programme of activities, which includes visits by specialists. All these activities are in line with guidance published by the LEA: e.g.

- English – theatre visits, visits by authors, poets and theatre groups;
- Science – use of the school grounds, visits to local woods and parks;
- Mathematics – use of shape and number trails in the local environment;
- History – castle visits, study of local housing patterns, museums;
- Geography – use of the locality for fieldwork, field work further away
- Art and design – art gallery visits, use of the locality;
- PE – range of sporting fixtures, extra-curricular activities;
- Music – range of specialist music teaching, extra-curricular activities, concerts for parents and children to hear;
- Design and technology – work with local secondary schools;
- ICT – its use in local shops/libraries/secondary schools etc;

- RE – visits to centres of worship, visits by local clergy.

NOTE – when extra-curricular activities take place there should always be an adult, other than the one running the activity on the premises.

• **Gaining approval for a trip**

The process for planning, gaining approval and booking a trip are laid out in the Process for Organising School Trip/Event (appended). Leaders will need to ensure that associated paperwork (appended) is completed and passed to relevant parties as laid out in the Process document.

4.1 Local School Board

As part of their responsibility for the general conduct for the school, the Local School Board has adopted this policy for the effective and safe management of educational visits.

The Local School Board must approve any visit involving an overnight stay or going overseas. The Local School Board delegate the Headteacher / EVC the responsibility to approve all other visits.

4.2 The EVC:

4.2.2 is responsible for ensuring that all school activities are properly planned and appropriately supervised and that this policy is implemented.

4.2.3 should ensure that the aims of the visit are commensurate with the needs of the pupils, including those with special educational needs for whom additional, appropriate arrangements may need to be made. For additional guidance refer to the Equality Act 2010

4.2.4 should ensure the suitability of all staff appointed to the visit.

4.2.5 should ensure that the visit leader fully understands his/her responsibilities.

4.2.6 should implement effective emergency contact arrangements.

4.2.7 should ensure that financial and insurance matters, staff ratios and parental consent are dealt with appropriately.

4.2.8 should have a system in place to record, audit and monitor school off-site visits.

An electronic submission process EVOLVE is used to log, audit and approve the following:

Overseas	yes	and formal approval by	EVC	Head	LA
Residential	yes	and formal approval by	EVC	Head	LA
Adventurous	yes	and formal approval by	EVC	Head	LA

Local approved	yes	and formal approval by	EVC	Head
----------------	-----	------------------------	-----	------

5 Choosing a provider

After considering the reasons for the visit, the visit leader should check out the provider.

www.oeapng.info 4.4h-Preliminary-visits-and-provider-assurances

On Residential, Adventurous or Overseas visits, leaders should check to see if the Provider holds the LOfC Quality Badge or has specific National Accreditations (ABTA bonded, AALA licence, Adventuremark, etc.) and, where possible, conduct an advance visit.

6 Parental Consent :

OEAP National Guidance Document

www.oeapng.info 4.3d-Parental-Consent

This guidance reflects the DfE guidance with particular note where consent is NOT required:

Written consent from parents is not required for pupils to take part in the majority of offsite activities organised by a school (with the exception of nursery age children) as most of these activities take place during school hours and are a normal part of a child's education at school. However, parents should be told where their child will be at all times and of any extra safety measures required.

At Wyburns, each academic year we issue a generic parental consent form to cover local visits. Parents/carers will be issued with a letter informing them of local visits – specific permission slips need only be sought if the nature of the visit comprises an element of additional risk. Please check each visit with HT/EVC.

7 Visits and staffing

The visit leader must recognise that whilst leading the visit, he or she is in effect representing the Headteacher and holds delegated responsibility for Health & Safety and Duty of Care.

It is the responsibility of the Visit Leader to carry out Risk Assessment / Risk management for the visit. For Risk Assessment guidance see www.oeapng.info 4.3g Risk Management

8 The visit

8.1 Before the day.

Ensure all necessary paperwork is completed and filed with the relevant parties as laid out in the Process for Organising School Trip/Event document. Ensure all staff and pupils are fully briefed, with outcomes explained. Ensure adults are competent when choosing volunteers. Ensure all accompanying adults and pupils are fully briefed and that all medical and first aid equipment is taken.

8.2 During the visit

Young Children must be kept in escort's group at all times. With older children close, or even remote supervision, is acceptable with suitable checks and contingencies in place.

There should be a system in place to safeguard young people at all times. (e.g. If toileting issues arise, an approach could be not to send young children into the toilets on their own but in small groups.) *Ensure volunteers, who do not have a DBS are not left on their own with children.*

Courtesy to the public must be shown at all times, care taken not to block pathways, etc.

Escorts should ensure the safety and well-being of the pupils in their care and inform the visit leader or another member of staff of any relevant incident involving pupils in their care as soon as possible.

Every escort must be given an emergency procedures card. This will have the school's contact and action plan in case of an emergency.

8.3 On return

8.3.1 Check all children off the coach and a member of staff must lead the class either into school or to area of playground where children can be collected by parent and teacher can check them off, thus ensuring that each child departs with known parent or neighbour.

8.3.2 An appointed leader must remain with uncollected children until all parents have arrived and all children have departed.

9 Financing the visit

When stating the cost for each individual:

- explain where this cost has come from and that the school would like a voluntary donation from parents to fund the visit. Stipulate the County/School's policy concerning parents who are unable to offer a voluntary contribution – which is that, no child will miss a trip if parents do not make a voluntary contribution. Stress, however, that if sufficient financial support is not forthcoming that the visit may have to be cancelled. State when and how you would like to receive payment. Cheques may be made payable to Wyburns Primary School [unless otherwise specified].

Some visits may incur vast amounts of money (example ski trip for 80 students £90,000)

A formal approval from the SLT / School Finance Manager must be sought before deposits paid.

10 Insurance

Introduction

Insurance is an area where misconceptions abound. It is too important to be left to chance and those involved with schools [teachers, pupils and parents] need to be sure of the nature and level of cover which is provided, both according to statutory requirements and that which may be additionally obtained on a voluntary basis through premium payments.

The following advice will help clarify some of the many queries which are raised, though it does not replace the need for individuals to seek information on insurance from their LEA, school or professional association which is pertinent to their own circumstances.

Personal

The teacher, in common with all other employed persons, is covered against industrial injuries by the weekly contribution which must be paid during employment. In addition, all employed persons

have a possible claim against their employer if they sustain any bodily injury by accident arising out of, or in the course of, their employment. Such claims can only be substantiated where injury can be proved to be through negligence of the employer or another employee [Employers Liability].

In respect of pupils, schools have a legal duty to take care of the well-being and safety of young people. Where there is a breach of this responsibility a claim for compensation may be brought.

There is no requirement for schools to make provision for loss through personal injury as the result of an accident where no blame may be attached. Personal accident insurance cover for pupils is a matter for the parents to arrange.

Consider choosing an activity which has earned a LOTC badge, this is accredited badge where safety, insurance has been expected.

Indemnity

Please see reference to parental Consent : -

OEAP National Guidance Document

www.oeapng.info 4.3d-Parental-Consent

DfE Document : See EVOLVE – Resources – DfE Tab H&S Advice from DfE 2014

Insurance Provision

Teachers should be aware of the school provision for insurance.

See: Offsite Activities Insurance Policy – AIG.

11 Transport

See guidance from OEAP NG -

www.oeapng.info.pdf 4.5a-Transport-A-general-considerations 4.5c-Transport-in-private-cars

12 Emergency / Critical Incident Procedures

See OEAP National Guidance document :

<http://oeapng.info> 1a-Critical-Incident-Management-Employer

- All leaders must carry the school's 'Critical Incident form' (z Cards) – With Emergency Telephone contacts and action plan should an incident happen.
 - On return, the visit leader must comply with the school's normal accident reporting procedures.

Reviewed:	Summer 23
Next revision due:	Summer 2025

Emergency Procedures for Visit Leaders to be taken on visit trips.

Wyburns Primary School

Emergency Procedures

The sequence of actions depends upon the nature of the emergency.

Immediate Action

1. Ensure your own safety.
2. REMAIN CALM - Assess the situation.
3. If possible, delegate actions to other leaders and participants so you can keep an overview, and to allow concurrent activity.
4. Ensure the safety of the group. Make sure everyone is accounted for and adequately supervised.
5. Call relevant emergency services if necessary (see phone numbers below).
6. Carry out first aid to the best of your abilities.

First Aid

The aims of first aid are to

1. Preserve life:
 - a. Casualties need to be able to breathe – if they are unconscious put them into a safe airway position.
 - b. Try to find and stop any serious external bleeding.
2. Prevent the condition worsening:
 - a. Protect the casualty from the environment - keep them warm and dry.
 - b. Monitor their condition.
3. Promote recovery:
 - a. Talk to them, reassure them, hold their hand, provide emotional support.

Urgent Action

Take stock and plan, delegating where possible.

Call your establishment's Emergency Contact (or if unavailable, your employer's Emergency Contact) if any of the following apply (see phone numbers below):

- You need support;
- The emergency services are involved;
- The incident is serious;
- The press/media are involved.

They could need the following information:

- Who you are, which establishment you are from and what your role is within the group;
- The number you can be called back on;
- The nature of the emergency and details of the incident;
- What help you need;
- Whether the emergency services are involved;

- How many casualties there are and their status;
- The number of people in your party;
- Your location, and whether you plan to move.

Liaise with, and take advice from, the emergency services if they are involved.

Address the urgent needs of the group:

- Ensure adequate supervision;
- Ensure they understand what to do to remain safe;
- Physical needs, e.g., shelter, food and drink, transport;
- Emotional needs, e.g., remove them from the scene, provide reassurance and emotional support (they can often do this for each other), give them useful things to do, protect them from intrusion.

Control communications – prevent group members from using phones or social media unsupervised, or talking to the media, until the establishment, employer and affected parents have been informed, and explain to them the importance of not spreading inaccurate information.

Start a written log of actions taken and conversations held, with times.

Further Actions and Follow-Up

Take stock again and re-plan the next phase – what have you forgotten?

Deal with any casualties who are in the care of the emergency services:

- Allocate a member of staff to accompany them to hospital;
- Keep track of who is where.

Consider the needs of yourself and fellow leaders – are you/they coping?

Liaise with your establishment or employer – hand over what you can to them, to reduce the stress on you.

Continue the written log with all details of the incident of the actions taken, including names and contact details of any witnesses.

Address the further needs of the group, for example:

- Information about the incident and what is happening;
- Toilets, washing facilities, clean/dry clothes;
- Transport;
- Accommodation;
- Contact with home.

Refer all media, parental or other enquiries to your establishment or employer.

Contact relevant agencies as necessary (via your establishment/employer if possible) – see numbers below.

Keep receipts for any expenses incurred – insurers will require these.

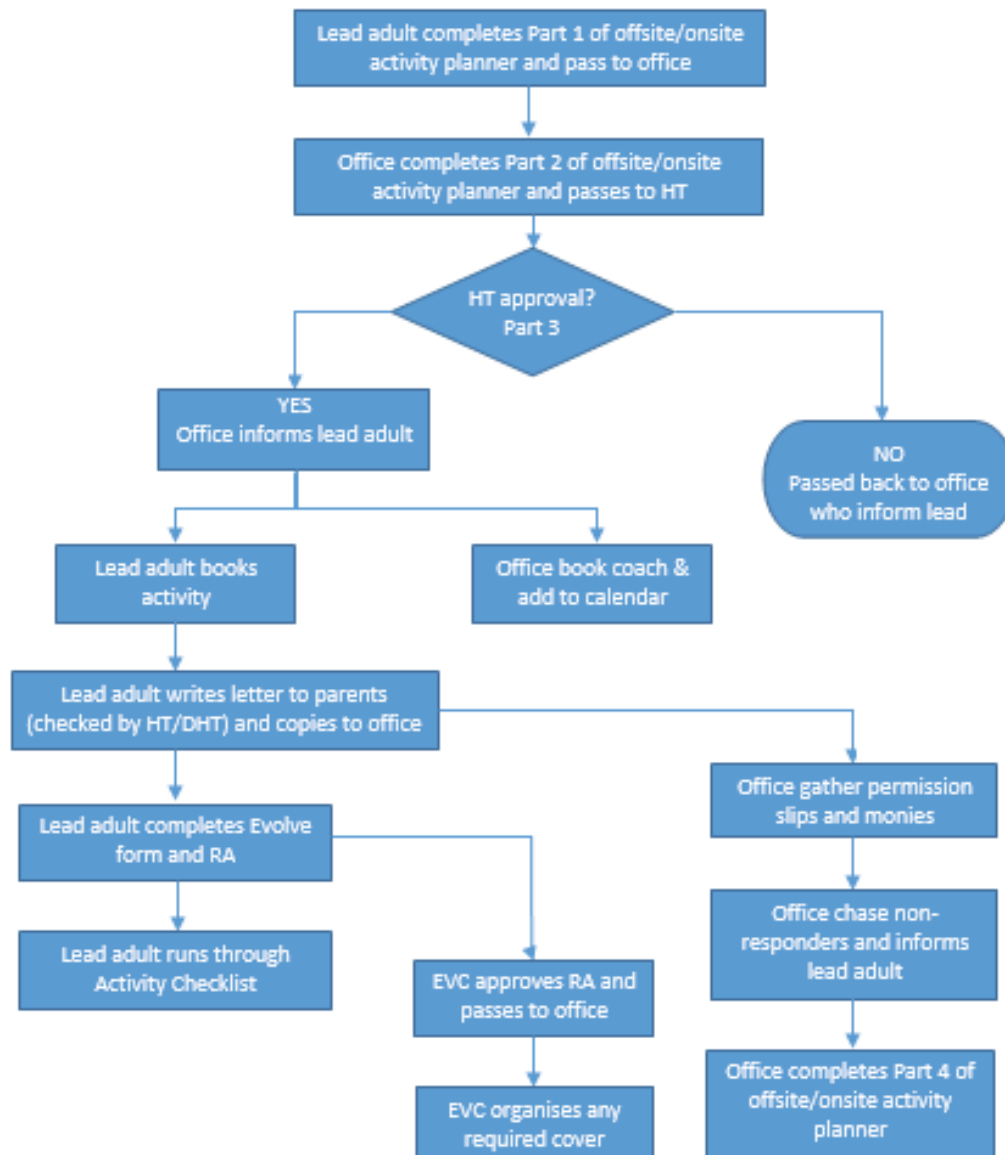

Report the incident using your employer's procedures.

Local Area Visit Operating Procedure

Extended learning Locality (Local Area Visit) Wyburns Primary School. Please ensure your mini evolve is completed.

Two points to reduce risks, please consider each time you visit a local area.

- 1) Good briefing to staff and pupils.
- 2) Effective and competent supervision.

Boundaries

The boundaries of the locality are shown on the attached map. This area includes the following frequently used venues: **e.g.**

- Toad Hall
- School's Pond
- Rayleigh Library
- Rayleigh Town
- Rayleigh Windmill

We use this extended area on a regular basis for a variety of learning activities, and approved staff are allowed to operate in this area without completing the EVOLVE visit approval process, provided they follow the below Operating Procedure.

Operating Procedure for Extended Learning Locality

The following are potentially significant issues/hazards within our extended locality:

- Road traffic.
- Other people / members of the public / animals.
- Losing a pupil.
- Uneven surfaces and slips, trips, and falls.
- Weather conditions.
- Activity specific issues when doing environmental fieldwork (nettles, brambles, rubbish, etc).
- Consider children needs in Toad Hall, ensure adult supervision in Toad Hall. Ensure an adult briefs you on any children difficulties in Toad Hall. Although this is their responsibility.

These are managed by a combination of the following:

- The Head and/or EVC Co- coordinator must give verbal approval before a group leaves. Mini Evolve needs to be completed at least a week before visit. Even though, this does not need approval it still needs to be completed.
- Only staff judged competent to supervise groups in this environment are approved. A current list of approved staff is maintained by the EVC and office.
- The concept and Operating Procedure of the 'Extended learning locality' is explained to all new parents when their child joins the school.
- There will normally be a **minimum** of two adults.

- Staff are familiar with the area, including any 'no go areas', and have practiced appropriate management techniques.
- Pupils have been trained and have practiced standard techniques for road crossings in a group.
- Where appropriate, pupils are fully briefed on what to do if they become separated from the group.
- All remotely supervised work in the extended learning locality is done in 'buddy' pairs as a minimum.
- Pupils' clothing and footwear is checked for appropriateness prior to leaving school.
- Staff are aware of any relevant pupil medical information and ensure that any required medication is available.
- Staff will deposit in the office a list of all pupils and staff, a proposed route, and an estimated time of return.
- A school mobile is taken with each group and the office have a note of the number.
- Appropriate personal protective equipment is taken when needed (e.g gloves, goggles) *If you have a local issue, eg. with drug needles, etc,*
- *in any area, then you can mark that bit as no-go, or add here how you will educate the pupils to deal with it – it is their home after all,*
- *so they need to be able to cope with it!*

GENERIC RISK ASSESSMENTS

When planning visits these risk assessments will automatically be adopted by party leader. Any additional hazards specific to individual destinations and/or needs of pupils will be assessed using the 'Event Specific Notes' in Evolve planning schedule. All relevant staff will need to read and sign that these risk assessments will be adopted on an annual basis.
