EXAMPLE SPEECH:

School Junior Governor

Class 4, I would love to be a junior governor and I will tell you why you should vote for me. The school governors have been doing a fab job. They have made sure our voices are heard, voted on what meals to have and have run positive P at brilliantly. This has all been done because of the junior governors. This mean we need to have the best people for the job to be able to make a difference. I think I am the right person because I am creative, will listen to you and will try and make Wyburns the best school so that everyone can aim to be their best.

Vote for me!
