

After half term, we will be moving classrooms.

I will be with my friends from my class. My teacher will be there too.

It's going to be lots of fun!

We will go in through a new gate.

My teacher will be waiting outside our lovely new classroom for me on my first day.

We have some lovely outside space just for Acorns and Class 1...

But at break and lunch we will get to be with Year 2 as well. There will be new places to explore with my teacher and my friends. Just like this pirate ship!

At home time, my grownups will pick me up from the same gate I came through in the morning. Even if they are not there straight away, they will always come to pick me up.

This is going to be an adventure and I will have lots of fun!
