

Frederick Freedom's School of Fun

Weekly School Timetable

Here at the Frederick Freedom School of Fun, we believe that every day should be full of enjoyment!

A photograph of several young children sitting at a long desk in a computer lab. They are focused on their computer monitors. The child in the foreground is a young boy with light brown hair, wearing a blue t-shirt and a beaded necklace. He is looking intently at his monitor. Behind him, another child with dark skin and short hair, wearing a yellow shirt, is also looking at their screen. The background shows more children and colorful wall decorations. The text 'Monday' is overlaid in red on the left side of the image.
