

At the Seaside

People like to go on holiday to the seaside because there are lots of things to do.

On the Beach

Children like to make sandcastles and dig holes on the beach. You can also play games such as football or cricket.

In the Water

Young children like to paddle in the sea. Older children like to swim. You can look for crabs and small fish in the rock pools.

At the Fairground

There are swings, slides and see-saws to ride. Sometimes there are big rides that go very fast!

On the Pier

A pier is a long footpath above the water. You can eat an ice cream as you walk along. Some people like to fish off the end.

Punch and Judy

Some children like to sit and watch puppet shows on the beach.

Boat Trips

On a nice day you may like to go for a sail in a boat. On a windy day the boat can be very rocky!
