

My Senses Map

Write the change you have experienced in the centre of the sheet and add information about what that change looked, smelled, tasted, felt and sounded like.

```
graph TD; A[The change I experienced:] --> B[I could see:]; A --> C[I could hear:]; A --> D[I could feel:]; A --> E[I could smell:]; A --> F[I could taste:];
```

I could see:

I could hear:

The change I experienced:

I could feel:

I could smell:

I could taste:
