WHAT A FANTASTIC HALF TERM!

We loved welcoming you all into our school for Talk and Share, and we hope you enjoyed looking through the children's books. It was wonderful to see so many of you taking part and celebrating the children's learning with us.

Our partnership meetings were also very well attended, and we truly appreciate your ongoing support and involvement in school life

FOOTBALL

Our kits are in desperate need of replacement, and we're looking for sponsorship partners to help support our players this season.

If you're a business owner looking for a great opportunity to sponsor a local team and promote your brand, we'd love to hear from you!

Get in touch to find out more about sponsorship opportunities and how your business can be part of our winning journey.

SUCCESSSES

Over the course of the first half term, we have celebrated a number of fantastic successes across our school community:

- Our UKS2 football team won the Small Schools Tournament and have secured their place in the County Finals — a huge achievement for the team and their coaches.
- We have successfully raised funds for local charities and for the school, enabling us to purchase new sports equipment and essential resources for our new classroom base.
- Our netball team have taken part in their first few matches, gaining valuable experience and representing the school brilliantly.
- The Year 6 Trust event was a roaring success, bringing pupils together for a memorable day of teamwork, challenge, and fun.

HEALTHY SNACK

A reminder that children are only allowed healthy snacks at breaktime.

Please send fruit, vegetables, cheese, yogurt, or wholegrain options like rice cakes or oatcakes.

Thank you for helping us keep breaktime healthy and nut-free!

1- Pine: Tuesday and Wednesday

2- Birch: Tuesday and Wednesday

3- Willow: Monday and Tuesday

4- Cedar: Wednesday and Thursday

5- Maple: Monday and Friday

6- Oak: Monday and Thursday

SUPPORT

How Parents Can Support Learning at Home
At Wyburns, we know that children thrive when school and home work together. There are lots of simple ways parents and carers can support learning outside the classroom:

- Read together regularly – Sharing books, listening to your child read, or discussing stories builds vocabulary and comprehension skills.
- Practise key skills – Regularly revisiting number facts, times tables, or spelling lists helps to reinforce learning and build confidence.
- Encourage independence – Supporting your child to organise their bag, complete homework on time, and talk about their day builds responsibility and resilience.
- Create a positive routine – A calm space for homework, regular bedtimes, and structured routines help children feel secure and ready to learn.
- Celebrate effort and progress – Praise persistence and small successes; it motivates children to keep trying and builds their self-belief.

Working together, we can give every child the best possible support to achieve their potential. Thank you for all you do at home to make a difference!

GOVERNANCE

Change in Governance

We would like to extend our sincere thanks to Hina Robinson for her dedication and service as Chair of Governors. Hina will now be stepping into the role of Vice Chair, and we are delighted that she will continue to contribute her expertise in this capacity.

We are pleased to welcome Tamsin Marriott as our new Chair of Governors, and look forward to working with her in this important leadership role.

We also welcome the following new members to our Governing Body:

- Anna Crockford – Parent Governor
- Mrs J. Manning – Staff Governor
- Emma Walding – Co-opted Governor

We are excited about the skills, experience, and enthusiasm each new member brings, and we look forward to working together to support the continued success of our school.
