

Your home learning for the half term week is:

1. Read every day for 10 minutes or longer and note this in the Partnership book.
2. Learn the Week 1 - x10 spellings (attached) for our quiz next week on **Friday 7th November**. This gives you the half term plus some extra days on our return and remember we will continue to learn these in class each day.
3. This week we have been learning these phonics - **ue, ew, ie and igh**

In Maths we have been working on adding and subtracting.

4. Complete the Sumdog tasks set online . These are set for extra time so you can complete in half term or on your return to school.

You can either send the work on here by attaching a picture or you can bring it into class each week.

Please note that the online Sumdog task notifies me once completed so that I can automatically see once you have completed it.

If you find anything tricky then please come and ask me for some help.

Happy learning!
Mrs Clark
