

Good afternoon,
Wow that term flew by!
Well done for being superstars and working so hard. I'm so proud of each and every one of you.

I have attached the spellings for our return to school, just so you can practice them when you are ready.

These will be checked in our spelling quiz on **Friday 9th January**.

I have also set a Sumdog challenge for you to practice your Maths, if you would like to work on it. This runs from now until early January.

Your home learning is to:

1. Have an amazing Christmas, enjoy time with your friends and families.
2. Keep safe and remember to be good so that Father Christmas comes!

I can't wait to see you in the New Year and hear all about it.

Have an amazing and magical Christmas everyone!

Mrs Clark
