JANUARY

Welcome Back!

Welcome back to a brand new term! We hope you and your children had a restful and joyful break and are ready for an exciting few months ahead. As the weather continues to be cold and unpredictable, please ensure your children come to school in warm coats, hats, and gloves, and that all items are clearly labelled—we've had lots of lost property recently, and labelling really helps get belongings back to their owners. We're looking forward to a term full of learning, fun, and achievements!

PARKING REMINDERS

Parking and Safety Reminder

We've recently received a number of complaints about unsafe parking near school, and we have unfortunately seen several children experience near-misses as a result. Please take extra care not to mount pavements or pull up close to the gates, and remember that the turning zone must be kept clear at all times. We are also noticing many children cycling or scooting without helmets — please ensure they are protected before setting off. Thank you for showing consideration for our pupils, families, and neighbours, and for helping us keep everyone safe during busy drop-off and pick-up times.

FUNDRAISING

Sponsored Read Reminder!
Throughout this half term!

We're excited to launch our Annual Sponsored Read fundraiser, and we'd love parents and carers to cheer their children on as they read as much as they can! Every minute counts, and there will be two prizes per key stage - one for the child who reads the most, and one for the child who spends the longest time reading.

Each winner will receive a book of their choice! Thank you for encouraging a love of stories and helping to make reading a big celebration at home. 📖

FOOTBALL

We are so excited and so proud to be sponsored by

A huge thank you for their wonderful generosity that has resulted in a brand new football kit for our football team

We are so grateful

BOOKINGS

Booking Reminders

A quick reminder to parents and carers to book school dinners, Breakfast Club, and WASP sessions in advance to guarantee your child's place. Spaces can fill up quickly, especially at the start of term, so booking ahead helps us plan meals and activities efficiently and ensures every child has a spot. Thank you for your support in keeping everything running smoothly!

HOME LEARNING

All children are expected to complete their home learning as part of our Home-School Partnership. This includes weekly spellings, daily reading, one short 15-minute task each week, and regular times table practice. Families can support learning at home by setting aside a quiet time for these activities, encouraging children to talk about what they've learned, and celebrating their progress. Please also take a moment to discuss online safety with your children, ensuring they use devices responsibly and safely. Thank you for helping us reinforce learning and build positive study habits at home!
