Dear Parents/carers

Road Safety Indoor Presentation

You are invited to attend with your child and their class, a Road Safety presentation delivered by the Safer Essex Roads Partnership.

The date of the session is **Thursday 21st May at 2:30pm** at your school.

This is an informative 40-minute indoor presentation for both parents/carers and their children.

We hope that you can attend with your child as it is important that parents/carers are here to see the presentation, so that the key messages can be continually reinforced by yourself afterwards. To ensure that we cascade the important information, we need a minimum of 10 parents/carers to attend each session. If you can't attend, you can nominate a close family member to come in your place.

We look forward to meeting you all on the above date.

Yours sincerely
