

PINE CLASS

SUMMER TERM - 8TH MAY

WHAT WE LEARNED

This week we were very busy with our learning and had some excellent lessons. In English, we planned our persuasive advert about Shanghai and worked hard on our ideas. In Phonics, we practised the sounds oa, oe, ou, ow and read tricky words such as the, said, of, house, our, one, once. In Geography, we learned what Shanghai is like and explored its features. In Science, we identified and named wild and garden plants. In PSHE, we discovered what money is and how it helps us.
