

PINE CLASS

SUMMER TERM - 22ND MAY

WHAT WE LEARNED

This week we have been enjoying English lessons by listening to, discussing and performing poems by James Carter. In Maths, we have been partitioning 2-digit numbers and using the ones to help us add bigger numbers. In PSHE, we learnt about the purpose of banks and building societies and enjoyed role-playing different scenarios. In Music, we have been exploring and practising pitch, and in Computing we edited and created our own collages.
