

PINE CLASS

SUMMER TERM

WHAT WE LEARNED

This week, we have been very busy with our learning. In English, the children wrote their own narrative based on Jack and the Beanstalk. In Maths, we practised measuring accurately using a ruler. In History, we explored personal timelines and thought about important events in our own lives. In Science, we learned about the different classes of animals and compared a variety of birds. In DT, we investigated balance and stability, using blocks to build and test stable structures. Well done to everyone for their hard work this week!

UPCOMING EVENTS

JULY

9
