

PINE CLASS

SUMMER TERM

WHAT WE LEARNED

This week in English, we have been reading and retelling the story Wild, focusing on understanding the characters and sequencing events. In Design and Technology (DT), the children have been designing their own pencil pots, thinking carefully about their ideas and how they will create them. In Music, we have been exploring dynamics, pitch and rhythm as the children develop their performance skills. During PE, we have been practising racket skills, improving coordination, control and confidence through a range of fun activities.

UPCOMING EVENTS

JULY

22

Last day of term
