17<sup>th</sup> July 2026

Dear Parents and Carers,

We are delighted to let you know that we are planning for our Year 6 Residential Trip to Mersea to go ahead next academic year.

The trip will take place from **Monday 15th March to Friday 19th March 2027** and, as in previous years, we will be staying at the Go Outdoors Centre in Mersea, where pupils enjoy a wide range of exciting outdoor and team-building activities. This residential is always a highlight of Year 6 and provides children with the opportunity to develop independence, resilience, confidence and teamwork while creating lasting memories with their classmates.

## Key Information

- Dates: Monday 15th March – Thursday 19th March
- Location: Go Outdoors Centre, Mersea
- Total Cost: *To be confirmed* (expected to be in the region of £500)
- Deposit: £50, payable by Friday 18th September

The final cost is still being confirmed due to increasing coach transport costs. We will let families know the exact amount as soon as possible, but we anticipate that it will be around £500, in line with previous years.

To provide you with more information about the trip, including accommodation, activities, travel arrangements, kit lists and payment schedules, we will be holding a Year 6 Residential Information Evening on Monday 7th September, the first Monday after the start of term. We strongly encourage parents and carers to attend, as this will be an opportunity to ask any questions you may have.

To enable us to confirm the booking with the centre and transport providers, we need an early indication of numbers. If you already know that your child will definitely not be attending, we

would be grateful if you could let the school know as soon as possible. This will help us determine whether the residential remains financially viable before final commitments are made.

We very much hope that as many children as possible will be able to take part in what is always a fantastic experience. The Mersea residential offers children opportunities to challenge themselves, strengthen friendships and develop valuable life skills that extend well beyond the classroom.

If you have any initial questions before the information evening, please do not hesitate to contact the school.

We look forward to sharing this exciting experience with our Year 6 pupils.

Yours sincerely,

The Year 6 Team
