Weekly updates

Dear Parents & Carers,

After school last Friday, we held our first fundraising event of the year, the infants' Film night. The children enjoyed the chance to watch the films with their friends whilst enjoying a snack. Today after school we will hold our Film night for the juniors with collection at 4:45p.m.

Thank you to all of our parents and carers that were able to join us for yesterday's Talk and Share session.. We all appreciate your continued support.

We would like to politely remind parents that children are not to have chocolate spread or peanut butter sandwiches while they are in school, due to the risk this has for our children with allergies. This also includes not bringing any food containing nuts to school, including breakfast or cereal bars (unless they are nut-free). Also, children must not have chocolate, sweets, fizzy drinks or energy drinks in their lunches. All children are encouraged to bring a water bottle each day which can be refilled in school if needed.

Thank you for your support in promoting a healthy lifestyle both in and out of school.

As the autumn weather has finally decided to make an appearance, please ensure your child has their coat with them every day.

Wishing you all a lovely weekend.
