

The Friends of Wyburns is a registered charity whose main aim is to raise funds and support school events. We're a dedicated team of parents working closely with school staff to organise fun and memorable experiences for the children and their families. All funds raised are invested directly into school projects that benefit and advance the education of every child.

Please get in touch if you can help us in anyway, with joining the committee, revamping a pond or helping at event on the following e-mail address - friendsofwyburns@outlook.com.
